## **Free and Reduced Price Participation**

The following report provides a count of all students in Montana public and nonpublic schools who are eligible to receive free and reduced price benefits for meals and milk. Because the data presented in this report are frozen on December 31, there may be missing values as well as late corrections for a given year because data came in later than that date.

Although presented on the Measurement and Accountability Web site, free and reduced price participation data are gathered by the School Nutrition Programs Unit at the Office of Public Instruction. If you have questions about the free/reduced data or programs, please contact Sofia Janik, [sjanik@state.mt.us](mailto:sjanik@state.mt.us), (406) 444-2521.
